Re: *Velez v. Lasko Products, LLC* (Case No. 1:22-cv-08581)

Dear Judge Rochon:

Bryan Cave Leighton Paisner LLP represents Lasko Products, LLC ("Defendant" or "Lasko") in the above referenced matter. We respectfully submit this Letter Motion on behalf of all parties and with the consent of counsel for the plaintiff. The parties submit this joint application to request that the Court defer the recently scheduled Initial Pretrial Conference (currently set for January 17, 2023) and stay further proceedings pending the disposition of Defendant's forthcoming motion to dismiss.

Defendant's responsive pleading is not due until February 13, 2023. Neither party has previously sought any adjournments or extensions of time. Defendant will be moving to dismiss the complaint. Given that Lasko's motion may resolve the issues in the case without the need for discovery, the parties have agreed that it is in the interest of judicial economy to request to delay the Rule 26(f) conference, initial status report and initial status conference, as well as discovery in the case until after the Court has ruled on Lasko's motion to dismiss.

Thank you for your consideration of this matter.

Very truly yours,
